Our Learning

This Week

19th October – 23rd October 2026

What a busy half term we have had in Pre-Nursery! We are so proud of the children. Our new 2-year-old's have settled in and growing in confidence and our existing Pre-Nursery have supported the new children and continued to make fantastic progress this term. Thank you too for all of your support this half term.

This week we have been looking for signs of Autumn outside in our garden. The children were excited to explore natural resources and especially enjoyed rolling conkers in paint! This activity also supported their arm, wrist and core strength.

Last week we held our health and nutrition workshop for parents and carers. We had some really good feedback from those who attended and are planning a behaviour workshop next term on Wednesday 2nd December. We will have a sign-up sheet in the office after half term.

Next week is our half term break and we look forward to welcoming you back on Tuesday 3rd November.

Our key words this week are…

Autumn, outside, nature

Our key words week beginning 3rd November are… Scoop, pour, celebration

Parent Help!

We would like to ask for your help by sending your child to nursery in appropriate clothing for the colder and wetter weather please. If your child has wellington boots, please bring them to nursery on a wet day as we love to jump in puddles! Waterproof trousers and jackets are also great for playing outside in the rain. Please make sure your child has another pair of shoes to wear inside on a wet day. We will support the children to take their boots on and off until they can do this independently. Thank you!
