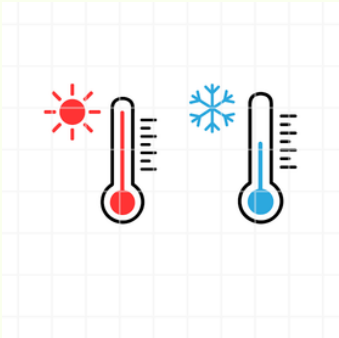
Our Learning Adventures
23rd- 27th November 2026

The highlight of this week has been making porridge just like the Three Bears. Firstly, we investigated what it was like to add a liquid to the dry oats and talked about the change in consistency. We then made porridge and thoroughly enjoyed trying it at snack time.

We learnt the word 'warm' when tasting the porridge as well as hot and cold linked to the story. We have also enjoyed looking at the changes in the garden when it has been cold this week.



This week we have been focusing on naming our feelings - happy and sad. The adults have highlighted these when reading stories and during our play by showing the visuals and modelling the word. We have enjoyed playing with the emotion stones and mark making linked to feelings.
