

The Lawns Pre-Nursery December

2023 Newsletter

The Children's Learning

What a fabulous month we are having so far! The children have been really busy at nursery creating lots of amazing artwork to display in our nursery for the Christmas period.

We have been very busy in our post office at nursery, we have been practicing our mark making skills by writing letters to one another and posting them in our post box. Together we discussed all of the different things we can do at the post office such as buying stamps and sending parcels off for delivery.

The children have also really enjoyed exploring the different textures we can use to paint with at nursery. This week we used sponges to make circle shapes to represent baubles to create some amazing Christmas cards for our loved ones. We are very excited for the next few weeks in pre-nursery where we will be wrapping boxes as presents, exploring ice and having so much fun creating fake snow using shredded paper!

Merry Christmas and a Happy New Year

Bad Weather closure

Please be advised that we always endeavour to open The Lawns Pre-Nursery however if the weather is extreme and staff are unable to get to school or the school site is considered slippery and unsafe we may need to close for health and safety reasons. In the event of bad weather parents should check the RBWM website - www.rbwm.gov.uk, our [website](#) or listen to Heart Thames Valley or BBC Radio Berkshire for school closure announcements.

Reminder

If your child is unwell please don't bring them into Pre-Nursery. Colds and stomach bugs circulate quickly and this does then affect the children and staff team considerably - Please remember to call and let us know why your child is absent. Any child suffering from a stomach bug should not come into Nursery for 48 hours from their last symptom.
