

The Children's Learning

What a busy time we've been having at The Lawns Pre-Nursery. The children have had a lot of fun when using real food in the home corner. They have experienced and explored cutting and peeling leeks, carrots, onions, pak choi and potatoes. This has created delicious smells throughout the Pre-Nursery classroom. In the garden they have been digging and transferring soil in the mud kitchen area. We have also planted lemon balm, mint and lavender so the children can learn how plants grow. In preparation for Easter we have started singing some Easter songs.
