

# Our Learning

This week – 25<sup>th</sup> – 28<sup>th</sup> March

Following a wonderful term full of learning and discovery together we enjoyed a week of Spring and Easter fun! We were treated to some fantastic live music by Harriet’s mum, Jenni, and her friend Louise, who are part of Ziggy’s Music. The children used the listening and music skills they have been practising this term and were captivated by the fun songs, loved singing along and joining in with the actions. Jenni and Louise commented on how many children had lovely singing voices and what good listeners they were as they played the instruments, keeping to the rhythm and beat of the music.

As part of our Easter celebrations, we made chocolate nests, Easter cards and even had a surprise visit from the Easter bunny, who left us all an egg!

In the warmer weather we have started discovering new plants and bugs and today there was lots of excitement as we spotted our first ladybirds.

## Summer Term

The Summer term begins on **Wednesday 17<sup>th</sup> April** as the children return. We will be welcoming some new friends, and Rachael will be back in Bumble Bee group. We will be exploring some new core books and rhymes starting with Jack and the Beanstalk as our focus traditional tale.

## Have a wonderful Easter break

- If you are doing anything special over the break please send photos and we can add them to your child’s learning journey. They love showing their friends and the nursery adults their photos and they are great conversation starters to support language development.
