

Privacy Notice for Staff

The Data Protection Act 2018 provides individuals with a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing “privacy notices” (sometimes called “fair processing notices”) to individuals where we are processing their personal data. This privacy notice explains how we collect, store and use personal data about **individuals we employ, or otherwise engage, to work within the Federation.**

We, Cookham, Maidenhead and The Lawns Nursery School Federation are the “data controller” for the purposes of data protection law.

Our data protection officer is Satswana Ltd – see “Contact Us” below.

The Personal Data We Hold

We process data relating to those we employ, or otherwise engage, to work in our nursery schools. Personal data that we may collect, use, store and share (when appropriate) includes, but is not restricted to:

- contact details;
- date of birth, marital status and gender;
- next of kin and emergency contact numbers;
- salary, annual leave, pension and benefits information;
- bank account details, payroll records, National Insurance number and tax status information;
- recruitment information, including copies of right to work documentation, references and other information included in a CV or cover letter or as part of the application process;
- qualifications and employment records, including work history, job titles, working hours, training records and professional memberships;
- performance information submitted by yourself;
- outcomes of any disciplinary and/or grievance procedures;
- absence data;
- photographs;
- data about your use of the nursery schools’ information and communications systems.

We may also collect, store and use information about you that falls into “special categories” of more sensitive personal data. This includes information about (where applicable):

- race, ethnicity and religious beliefs;
- trade union membership;
- health, including any medical conditions, and sickness records.

Why We Use This Data

The purpose of processing this data is to help us run the nursery schools, including to:

- enable you to be paid;
- facilitate safe recruitment, as part of our safeguarding obligations towards our children;
- support effective performance management;
- inform our recruitment and retention policies;
- allow better financial modelling and planning;
- enable equalities monitoring;
- improve the management of workforce data across the sector;
- support the work of the School Teachers' Review Body.

Our Legal Basis for Using This Data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need it to:

- fulfil a contract we have entered into with you;
- comply with a legal obligation;
- perform a task in the public interest.

Less commonly, we may also use personal information about you where:

- you have given us permission to use it in a certain way;
- we need to protect your vital interests (or someone else's interests).

Where you have given us your consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing your consent should you wish to do so.

Some of the reasons listed above for collecting and using personal information overlap, and there may be several grounds which justify our use of your data.

Collecting This Information

While the majority of information we collect from you is mandatory, there is some information that can be provided voluntarily. Whenever we seek to collect information from you, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

How We Store This Data

Records are stored securely in paper files and on the school's secure server. We keep personal information about you while you are employed, or otherwise engaged, at any of our nursery schools. We may also keep it beyond the cessation of your employment if this is necessary in order to comply with our legal obligations. We will adhere to the Information Management Toolkit for Schools guidance on retention. Our Data Protection Policy sets out how we store and how long we store information about you. Our Data Protection Policy can be found at:

<https://www.nurseryfederation.co.uk/page/?title=Our+Policies&pid=41>

Data Sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so. Where it is legally required or necessary (and it complies with the Data Protection Act 2018), we may share personal information about you with:

- our local authority – to meet our legal obligations to share certain information with it, such as safeguarding concerns and information about Executive Headteacher performance and staff dismissals;
- the Department for Education – including census information;
- your family or representatives – as required for emergency contact;
- our regulator, e.g. DfE and Ofsted – for scrutiny of Federation policies and procedures during an inspection, e.g. appraisal systems or monitoring records;
- suppliers and service providers – to enable them to provide the service we have contracted them for such as payroll;
- survey and research organisations – local university studies but only where permission has been granted by yourself to be part of such study;
- trade unions and associations – if and when required when union is involved in supporting a member of staff;
- health authorities – for emergency use only;
- health and social welfare organisations – to meet our legal obligations to share certain information with it, such as safeguarding concerns;
- professional advisers and consultants – for scrutiny of Federation policies and procedures, e.g. appraisal systems or monitoring records;
- police forces, courts, tribunals – in line with the law.

Transferring Data Internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

Your Rights Regarding Personal Data

Individuals have a right to make a “**subject access request**” to gain access to personal information that the school holds about them.

If you make a subject access request, and if we do hold information about you, we will:

- explain where we got it from, if not from you;
- tell you who it has been, or will be, shared with;
- let you know whether any automated decision-making is being applied to the data, and any consequences of this;

You may also have the right for your personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request please contact our data protection officer.

- object to the use of personal data if it would cause, or is causing, damage or distress;
- prevent it being used to send direct marketing;

To exercise any of these rights, please contact our data protection officer.
