

# Weekly Update

## Weekly update 23<sup>rd</sup> to 27<sup>th</sup> March

What a wonderful week of celebrations. Children were really excited to share their stories and photos with their friends about their Eid celebrations.

With the holidays upon us Jo, our persona doll, came to visit the children and told them about her upcoming trip to Scotland. She showed the children on a map the route by car and plane. It was decided by the children that while it was quicker by plane, Jo would see more sights if she drove in the car. We then looked at some pictures and brochures of where she was going, which included mountains and outdoor sports. The children then came up with a packing list for Jo to use when packing her suitcase based on what they saw. They are now expert packers!!

Our children who celebrate Easter are excited to talk about preparing for Easter and the eggs that they might like to receive. They have decorated eggs, made Easter cards and we even had a visit from the Easter Bunny!!!!

### Focus Words:

- Composition
- Style
- Props
- Syllable

### First week of Term

We are looking forward to our first week back. Children will be honing their creative skills looking at our focus artist Sonia Delauney. They will choose from a range of art mediums to create shapes and patterns to express their ideas.

We will also be playing number games and enjoying number rhymes as children begin to learn the composition of number.

### At home...

We hope those families celebrating Easter have a lovely time and we wish everyone a wonderful Spring holiday. Please send photos for your child to talk about.

A big thank you for buying tickets for our Spring Raffle. With your support we raised a magnificent £146. The money raised goes towards plants, seeds and other resources for our gardens and allotments.
