

Our Learning

This Week

13th July to the 17th July 2026

This week we had a visit from the mobile farm! The children were excited to visit them in Big Lawns outside area. They had the opportunity to stroke, brush and feed them, whilst learning about how to be gentle and respectful with the animals. We were able to model safe handling, including the importance of washing hands when we touch animals. We were lucky to meet a pony and miniature donkey, along with ducks, goats, lambs and chickens! The children and adults all had a wonderful day! The children and staff have all been enjoying playing and learning in our cool classroom this week. Thank you for your patience with our hot weather plans.
