

Our Learning

This Week

Monday 21st September to Friday 25th September

It has been so lovely to welcome more children back to nursery this week. The children have settled beautifully and have enjoyed spending time with their friends, exploring their surroundings and joining in with lots of exciting learning experiences.

We have found plenty of opportunities to enjoy stories and songs. We have particularly enjoyed our number songs, including 'Five Little Monkeys' and 'Five Currant Buns'. The children have been fantastic at joining in with the words, actions and counting.

We have continued talking about our three important nursery rules: Ready, Respectful and Safe. The children have been learning what each of these words means and how we can put them into practice throughout our day. We have been using visual prompts to help support their understanding, and you will see these rules being used consistently around the nursery and displayed on the teachers' lanyards.

Next Week

Monday 28th September to Friday 2nd October

Next week we will be spending time learning how to use our sand pit safely. The children will explore how we can enjoy the sand pit while keeping ourselves and our friends safe. We will talk about taking turns, sharing resources and remembering our "Ready, Respectful and Safe" rules.

We are also excited to begin exploring a collection of different spoons! The children will have opportunities to look closely at the spoons, compare their different sizes, shapes and textures, and talk about what they notice as they get hands on with the resources.

At Home

Why not continue our number song fun at home? Try singing 'Five Little Monkeys' or 'Five Currant Buns' together. Please feel free to borrow a book from nursery that you can share with your child at home.

This week's keywords are Spoon, safe, size, sand and sound.
