

Learning Adventures

Monday 21st to Friday 25th September

Our learning focus is repeated through our key words. These words are highlighted in bold.
Take a look at this week's learning and exploring.

The adults are here to **help**
us

We can say **stop**, if we
don't like it.

We **come** together for a
story

Learning each other's **name**
so we can play together

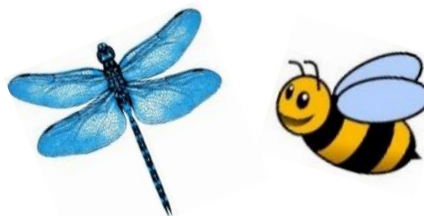

We **hear** the sounds around
us

Music, singing and
movement

Noticing the number **two** in all
that we do

We are creating **art**

Next Week: Caterpillars, Grasshoppers and Ladybirds will sing 'Zoom, Zoom, Zoom, we're going to the moon'.

Our key words of the week will be **please, thank you, share.**

Bumblebees and Dragonflies will sing 'chop, chop, choppity chop'.

Our key words of the week will be **sad, listen, notice, family, move.**

At home go on a listening walk and notice the sounds around you. Encourage your children to tell you what they hear e.g. "I can hear a plane".
