Our Learning Adventures
9th - 13th November 2026

Here is some of this week's learning and exploring.

We have been practising using our fine motor skills this week, threading beads, stretching rubber bands and arranging small pegs on peg boards.

We have continued to use our amazing collection of pumpkins to both talk about and explore. To further support our fine motor development, we have hammered golf tees into them!

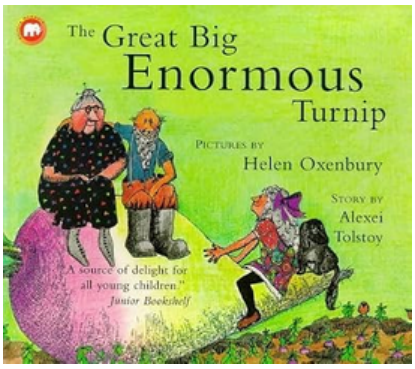

We are becoming experts at subitising 3 items. We explored how to make 3 in a variety of ways, noticing the 3 Bears, 3 Billy Goats Gruff and 3 Little Pigs!'.

We have been exploring the space around us by using binoculars to experience different viewpoints - what is above, below, near and far away.

We have been reading the 'Enormous Turnip' and exploring the story's values of team work and not giving up when something is tricky.

Next Week

We will be exploring problems and solutions in stories, so that we can start to make up our own, using characters, a setting, a problem and a solution.

At Home

Look around you and notice nature and the seasonal changes. Use position words such as above, below, on, under, in, out, inside, outside, behind, in front of, next to, beside, between
